

An opportunity for parents and caregivers of children with learning challenges and other special needs to discover the best resources the Valley has to offer.

Learn about local services, support and products.

Q&A with professionals and parents of children with special needs:

- Early assessment/early intervention
- IEP rights and responsibilities
- Preparing for postsecondary transitions
- Support for caregivers

Enjoy Halle Heart Children's Museum's fun activities and welcoming atmosphere.

Admission is FREE but RSVPs are required because space is limited. Children are welcome to come along and enjoy Halle Heart Children's Museum's many colorful and interactive exhibits.
